THANK YOU FOR YOUR INTEREST IN  
*SPONSORING*  
ALL SYSTEMS GO!

BY SPONSORING **ALL SYSTEMS GO!** YOU DIRECTLY HELP TO BRING TOGETHER THE COMMUNITIES FOCUSED ON BUILDING FOUNDATIONAL TECHNOLOGIES ON WHICH ALL MODERN LINUX SYSTEMS RELY.

Sponsorship funds will be the main means by which the conference is supported, allowing attendees fees to be kept low. All monies raised will go towards conference organisation and other related costs. What we can provide to attendees is directly based on the success of our fundraising efforts.

*The only conference  
focused solely on low-level,
